December 13th, 1918

Hon. F. B. McGarry,

Provincial Treasurer,

Parliament Buildings, Toronto.

Dear Mr. McGarry:

As a great deal has happened since the Dominion
Laboratories were opened and we have embarked on the research
work which was made possible by reason of the generous gift
of the Government of \$75,000 towards a fund of \$100,000 for
endowment we should appreciate very much if we could receive
some of the money before long as we have overdrawn our running
account, and we wish to make some increase before very long.

I am, with kind regards,

Yours sincerely,

President.

DEPARTMENT OF THE TREASURER
OF ONTARIO
OFFICE OF THE MINISTER

Toronto, 6th January 1919.

Dear Sir Robert:

On the 12th December you wrote me with regard to an advance on account of the amount which we were to pay toward the Connaught Laboratories.

I asked one of the officials in the department to look into this matter, and I find that last Session we passed an Act entitled "An Act to provide for the payment of an Annuity to the University of Toronto" Chap. 53. It was enacted as follows:

Sec. 2. For the purpose mentioned in the preamble of this act, the Lieutenant- Governor in Council may, on behalf of the Province of Ontario, contract with the Board of Governors of the University of Toronto to pay them an annual sum or sums not exceeding in all \$3,750 per annum for a period not exceeding ten years from the 1st of November, 1917.

I think it will be necessary for us to have a formal agreement drawn up between the Board of Governors of the University, and the Province, before I can pay out any money.

Sir Robert Falconer,
President, University
of Toronto,
Toronto.

Yours very truly,

W. M. M. M. M.
Provincial Treasurer.

March 8rd, 1919

Honourable T. W. McGarry,
Provincial Treasurer,
Toronto.

Dear Mr. McGarry:

I am enclosing you a letter from Mr. Moore, the Bursar of the University, with regard to the probable deficit for the current financial year of the University. You will find by turning to the copy of the estimates that we placed in your hands last June that the estimated deficit is a good deal larger than it is likely to turn out to be by the end of the current year ending June 30th. Mr. Moore estimates that \$200,000 will carry us through.

Since he wrote this letter in the beginning of February we have had a good many additional expenses, particularly in providing training for the returned men in the various faculties, and additional work in preparatory classes of matriculation grade. There seems to be little chance now that the Dominion Government will do much in this direction and in view of our extra expenses it would not be safe to reduce the amount below the \$200,000.

I am, Yours sincerely,

President.

Toronto, Mar. 4th. 1919.

I beg to acknowledge receipt of your letter of the 3rd.inst. enclosing letter from Mr.Moure with regard to overdraft in connection with the Toronto University.

Yours very truly,

Yours very truly,

Toronto.
